# About US

Our work is to empower educators, parents, and professional organizations. We specialize in trauma-informed, culturally responsive professional development. Our mission is to foster growth, resilience, and empathy in today's diverse communities. Through comprehensive workforce development, mental health coaching, and dedicated advocacy, we provide actionable strategies for creating safe, inclusive environments that honor the unique backgrounds and needs of all individuals. Whether you're an educator, parent, or organization leader, our services equip you with the tools and insights to support trauma-informed practices, prioritize mental well-being, and champion cultural sensitivity. Join us in creating lasting change—one relationship, one classroom, and one community at a time

# Trainings

# Cohorts

## Adverse Childhood Experiences

Discover how ACEs impact child development and long-term health. This training equips providers with trauma-informed strategies to recognize, respond to, and support children and families affected by ACEs, fostering resilience and healing. Learn practical tools to create safe, nurturing environments that promote recovery and well-being.

## Inclusion Equity & Diversity

Build inclusive, equitable learning environments with our anti-bias training. Gain tools to recognize and challenge biases, celebrate diversity, and promote equity in education and caregiving. Learn culturally responsive practices to support all children and families, fostering respect, belonging, and positive identity development in every interaction.

## Self Care & Advocacy

Self-Care and Advocacy for Educators and Caregivers

Empower yourself with tools for self-care and professional advocacy in education. Learn strategies to manage stress, prevent burnout, and prioritize well-being while navigating challenges. Develop skills to advocate for supportive policies, equitable resources, and a healthy work-life balance, ensuring sustainability and success in your vital role.

## Program Management

Leadership's Role in Building a High-Quality Workforce

Effective leadership drives recruitment and retention of culturally responsive, trauma-informed educators. Learn strategies to foster an inclusive culture, provide ongoing professional development, and support educator well-being. Build a resilient team equipped to meet diverse needs, ensuring equitable, impactful learning environments for children and families.

# Services

## Instructional Coaching

Enhance teaching effectiveness through personalized coaching. Gain actionable strategies, feedback, and support to improve instructional practices, foster student engagement, and achieve meaningful outcomes in diverse learning environments.

## Mental Health Coaching

Support educator well-being with tailored coaching focused on stress management, resilience, and self-care. Build healthy habits to navigate challenges, prevent burnout, and foster a positive impact in the classroom.

## Professional Development

Empower educators with innovative strategies to enhance teaching and learning. Gain expertise in culturally responsive practices, trauma-informed care, and inclusive instruction. Build skills to foster equity, engagement, and student success in every classroom.

## Home Visiting

Provide compassionate, culturally responsive support to children and families. Address trauma, build resilience, and strengthen parent-child relationships through tailored, strengths-based strategies in the comfort of their home.

# Programs

## **Workforce Development Programs**

Trauma-Informed, Equity-Based Workforce Development Mentorship  
Empower early childhood educators through mentorship that blends trauma-informed care and equity principles. Build skills, foster resilience, and cultivate inclusive practices to create impactful learning environments for all children and families.

## **Inclusion Equity & Diversity Consultation**

Enhance special education and diversity practices with expert consultation. We provide professional development, assessments, and observations in classroom and home settings, empowering educators and providers to create inclusive, equitable environments that support all learners and families. Build capacity for meaningful change through tailored, culturally responsive strategies.

# WORKSHOPS

## NCPMI Pyramid Model Workshop

### Supporting Children with Challenging Behaviors

Join us for an engaging training based on resources from the National Center for Pyramid Model Innovations (NCPMI). Learn evidence-based strategies to address challenging behaviors, promote social-emotional development, and create positive, inclusive learning environments. Ideal for educators seeking practical tools to support all children effectively.

## Equity Workshops

### Trauma-Informed, Culturally Responsive Workshop

Enhance your skills in mental health, social-emotional learning, inclusion, diversity, and equity. This workshop equips professionals working with children and families to use trauma-informed language and strategies, fostering healing, resilience, and culturally inclusive environments that support every child's well-being and growth. Perfect for educators, caregivers, and community leaders.

## Self Care Workshop

### Culturally Sensitive Self-Care Workshop for Educators

Prioritize your well-being with a self-care workshop designed through a culturally sensitive lens. Explore strategies to manage stress, build resilience, and honor your unique cultural identity while fostering balance and renewal. Empower yourself to thrive personally and professionally in your vital role.

## Leadership Workshop

### Equity-Driven, Culturally Responsive Workshop

Enhance intercultural communication skills through a trauma-informed lens. This workshop equips leaders, administrators, educators, social workers, and service providers with tools to foster inclusive, equitable environments. Learn strategies for bridging cultural gaps, promoting understanding, and addressing trauma in diverse communities for impactful leadership and service delivery.

## Ty Morris

TLM Educational Services Inc.

Ty Morris, Founder and CEO of TLM, brings 25 years of expertise as an Early Childhood Educator and advocate. She specializes in social-emotional development, youth suicide prevention, and trauma-informed care for children and families. As a community trainer, coach, and mentor, Ty focuses on Infant-Toddler Mental Health, Early Childhood Education, and fostering equity, inclusion, and cultural awareness among educators. Her background includes speech and behavioral therapies for children with special needs, and she serves as a postpartum doula supporting BIPOC individuals through traumatic birthing experiences. Ty's dedication to anti-bias education and best practices makes her a leader in her field.

"Healing is hard work and it is ours to do"
